Quick Tips

- The system times out after inactivity. Please make sure to save often to avoid losing any information.

- If you have questions about what to input in a data field, place your cursor over the question-mark icon for clarifying information; you do not need to click on the question-mark icon. Use these for instructions regarding what information is necessary for that specific field.

**Example:**
• **Red dots** indicate that the field is required.
  o Please note that not all fields can be given a red dot, to make required, even if IFSO needs it for processing. For example, the Dependent Sections are required if you have dependents, but as not all Scholar’s have dependents, the questions cannot be made required with a red dot.

**Example:**

Any document not in English will require a translation and translator’s statement certifying that they are competent to translate the document from that language to English and that the translation is a thorough translation of the entire document. If the diploma does not specify a particular field, then transcripts must be submitted that indicate in which field the diploma was obtained. If a diploma is not available, transcripts can be used instead, as long as the transcript indicates the degree issued.

**Foreign Credentials Evaluation (H-1B/E-3/TN only)**

If the relevant degrees are not from a U.S. institution, then a foreign credentials evaluation certifying the U.S. degree equivalency must be submitted if not already present (exception: Clinical Care appointments do not need evaluations of foreign MD degrees). The evaluation should include field of study, a detailed description of the material evaluated, rather than conclusions, and a brief description of the qualifications and experience of the evaluator. For more information, see: [https://ifso.ucsd.edu/dept-facilitators/h1b/index.html#Education-and-Credential-Evaluations](https://ifso.ucsd.edu/dept-facilitators/h1b/index.html#Education-and-Credential-Evaluations)

**Public Benefits Pages (H-1B/E-3/TN only)**
On question #1, please indicate whether or not you have “received benefits” as well as whether or not you are “certified to receive” benefits. If neither, both “No” boxes should be checked, see: Public Benefits Pages.

**Address and Contact Information Updates**
All international faculty and scholars must notify IFSO of address changes within 10 days of the information changing, per immigration regulations. In between requests (Initial/Extension/Amendments/Change of Status) you may need to update address or contact information with IFSO. You can notify IFSO of any address or contact information changes via ISD.

If you have never used ISD, you can submit your address and contact information update via IFSO’s online form.

**Sign into ISD**
If you have been previously granted access to ISD to file your J-1 or H-1B request, sign into ISD.
**TIP:** If you do not recall your login information, contact ifsoisd@ucsd.edu. You can typically find it in your email inbox by searching for “https://isd-visitor.ucsd.edu/” or “ISD”

Funding Documentation
Review the financial documentation currently in ISD, if the documentation does not meet the amounts required below please upload new documentation to support this. Do not delete any previous documents.

We require proof of financial support in the following amounts:
- Scholar only: $2400/month
- Accompanying J-2 spouse: $800/month
- Accompanying J-2 children: $400/month per child

Example: A scholar is coming to UC San Diego for a two-year program with their spouse. The minimum amount they need is:

\[
\begin{align*}
\text{$2,400 \text{ for Scholar} \times 24 \text{ months} = $57,600} \\
\text{$800 \text{ for Spouse} \times 24 \text{ months} = $19,200} \\
\text{Total= $76,800 total minimum proof of funding required for two years with a Spouse Dependent}
\end{align*}
\]

If UC San Diego is not providing you with funding that meets these amounts, you must upload documentation proving you have financial support for the minimum amounts mentioned above for the entire during of your J-1 program.

Funding documentation may include:
• Funding organization letter indicating amount of funds and disbursement period
• Employer letter stating your salary and that you will continue to be paid for the date range of your program at UC San Diego
• Bank statement showing personal funds of scholar or sponsor (if sponsor, include affidavit of support for scholar from sponsor that indicates amount of funding provided for the date range of your program).
• Evidence must show currently existing liquid funds

When uploading your document, use the following format:
  Document Path: [select the appropriate file from your computer]

  Document Type: Funding
